Rt. Hon. Justine Greening MP
Secretary of State
International Development

Dear MP Greening,

My name is George Uboh, I am the Chief Executive Officer of Panic Alert Security Systems (PASS), Abuja, Nigeria. I am also a crusader against corruption in Nigeria.

I recently exposed corruption at the Economic and Financial Crimes Commission (EFCC), the same agency saddled with the responsibility to fight corruption in Nigeria. I have appeared at the Senate based on my petition against the EFCC, I have appeared on several TV stations and newspaper. In all these fora I tendered my evidence. Please you may visit my website where I have recently uploaded the evidence showing how I arrived at over 2 Trillion Naira (over 2.5 Billion British Pounds) the EFCC failed to remit back to the Federal Government. I have enough corruption cases to pay off the over 30 Billion British Pounds Nigeria owes. www.pasecng.com; Youtube has several videos of my interviews.

I just read your statement regarding International Corruption Unit (ICU) to tackle corruption in Nigeria and other developing countries. I would like to meet with you and interface with ICU in my anti-corruption quest.

My life is seriously in danger, and I am constantly being threatened. While I await your response, I remain,

Sincerely yours,
